Host an Australian Student Program

Band
Color Guard
Drill Team
Jazz Band
RM
Cheer

Dear Elk Grove High School Family,

We are helping the Australian community by hosting them during their visit in Elk Grove from January 3, 2019 – January 14, 2019. They have activities planned throughout the day with their travelling company. They need a room with a bed, help provide some meals, help with transportation to Elk Grove High School for activities and transportation back to your house after school hours.

Each EGHS Performing Arts student/family host can earn \$75.00 for hosting an Australian student that can help with Disneyland, Cheer, Drill Team, RM, Winter Percussion, Winter Guard, and/or Reno Jazz Festival for Jazz Students.

This is a great opportunity to help our program.

All Australian students that are a part of our host program will have health insurance cards with them in case of a health emergency.

Share your California family traditions by hosting an Australian student.
