## Winter Percussion & Winter Guard

### *Road to competition 2019*

#### **Winter Percussion & Winter Guard Season 2019**

Every year, we host an annual Herd Winter Review, a winter percussion and winter guard show at EGHS. We make lots of funds through our snack bar that is ran by our band boosters. We also make class funding support to support all of the music department through ticket sales. The funding helps us with our fall season.

HWR – Requirements – EGHS needs to have a winter percussion and winter guard that will compete in THREE NCBA competitions not including their show.

As of now, our program can continue with two competitions. We need more funding to attend a third show and to attend championships. If you want to contribute to WPWG and your child is not in the group, please complete a sponsorship form.

Those who are in WPWG, need to continue with their contribution plans in order to continue after Del Oro.

*The forms in the packet given to students are due Thursday 2/28 to Mr. Sebastian.*
